This is how you can participate as **First-time participant**:

- You have to reach at least the level of IMM in December 2024, January 2025 and February 2025 (each with a minimum of 10,000 points).
- You need to confirm at least the level of MM continuously from March 2025 until the beginning of the trip.
- Confirm IMM in minimum 1 out of the 3 months May, June or July 2025.

This is how you can participate as a **TOP-Seller**:

- You have to reach at least the level of TOP-Seller-Platin in December 2024, January 2025 and February 2025 (each with a minimum of 10,000 points personal sales).
- You confirm at least the level of TOP-Seller-Gold continuously from March 2025 until the beginning of the trip.
- Confirm TOP-Seller-Platin in minimum 1 out of the 3 months May, June or July 2025.

This is how you can participate as **Repeat participant**:

- You have to reach at least the level of IMM in December 2024, January 2025 and February 2025 (each with at least 10,000 points) and build up 3 new Managers firstline during the competition period.
- If you have repeat participants in your downline, then you have to counteract this with at least 10,000 points against the sum of the points of all repeaters in your downline in at least one of the qualifying months (see the following example).
- You need to confirm at least the level of MM continuously from March 2025 until the beginning of the trip.
- Confirm IMM in minimum 1 out of the 3 months May, June or July 2025.

EXAMPLE:

	Your turnover in points	Sum of the turnover of all repeat participants in your downline	Difference
December	50.500 P	48.000 P	= 50.500 - 48.000 = 2.500 P
January	45.000 P	33.000 P	= 45.000 - 33.000 = 12.000 P
February	60.000 P	52.000 P	= 60.000 - 52.000 = 8.000 P

This means that in the month of January you can counteract with at least 10,000 points and will have achieved this part of the qualification.

For this purpose, the qualifier will then receive the specified allowance for their own journey for each person over the age of 2 (payment will be made after the trip). The fixed allowance for self-arrival is €300 per person (excluding children under 2 years of age).
