

## Europe Tour 2024 FAQs

### HOW CAN I QUALIFY FOR THE EUROPEAN TOUR 2024?

This is how you can participate as **First-time participant**:

- You have to reach at least the level of IMM in December 2023, January 2024 and February 2024 (each with a minimum of 10,000 points).
- You just need to confirm at least the level of MM continuously from March 2024 until the beginning of the trip.
- Confirm IMM in minimum 1 out of the 3 months May, June or July.

This is how you can participate as a **TOP-Seller**:

- You have to reach at least the level of TOP-Seller-Platin in December 2023, January 2024 and February 2024 (each with a minimum of 10,000 points personal sales).
- You confirm at least the level of TOP-Seller-Gold continuously from March 2024 until the beginning of the trip.
- Confirm TOP-Seller-Platin in minimum 1 out of the 3 months May, June or July.

This is how you can participate as **Repeat participant**:

- You have to reach at least the level of IMM in December 2023, January 2024 and February 2024 (each with at least 10,000 points) and build up 3 new Managers firstline during the competition period.
- If you have repeat participants in your downline, then you have to counteract this with at least 10,000 points in at least one of the qualifying months (see the following example).
- You need to confirm at least the level of MM continuously from March 2024 until the beginning of the trip.
- Confirm IMM in minimum 1 out of the 3 months May, June or July.

### EXAMPLE:

	Your turnover in points	Turnover of all repeat participants in your downline	Difference
<b>December</b>	50.500 P	48.000 P	= 50.500 - 48.000 = <b>2.500 P</b>
<b>January</b>	45.000 P	33.000 P	= 45.000 - 33.000 = <b>12.000 P</b>
<b>February</b>	60.000 P	52.000 P	= 60.000 - 52.000 = <b>8.000 P</b>

This means that in the month of January you can counteract with at least 10,000 points and will have achieved this part of the qualification.
