WHAT IS THE PRESIDENT'S TEAM RECOGNITION?

You choose from two different dream locations and will personally receive your honorary pin from Founder and CEO of PM-International, Rolf Sorg and his wife Vicki.

WHAT ARE THE QUALIFICATION REQUIREMENTS (FIRST TIME QUALIFIER)?

- You qualify as President's Team for the first time, confirm that Marketing Plan Position latest by the deadline to qualify and receive your invitation.
- You also confirm at least the position of President's Team in one of the three completed months prior to the Incentive and confirm at least the level of Executive Vice President in the other two months before the start of the Incentive.
- In case you do not reach the qualification criteria in the three completed months prior to the Incentive - and therefore need to receive a cancellation - you will receive a re-invitation to get the chance to register for one of the next Incentives (depending on availability).

Example Qualified:

January → First time qualified as President's Team

February → Confirmation President's Team

Beginning of March → Invitation with link to the registration website

Registered for St. Tropez → Minimum President's Team once again in March OR April OR May, in the two other months at least Executive Vice President

Example not qualified and re-invitation:

January → First time qualified as President's Team

February → Confirmation President's Team

Beginning of March → Invitation with link to the registration website

Registered for St. Tropez → Minimum President's Team once again in March OR April OR May, in the two other months at least Executive Vice President.

If you drop to Vice President or below in March or April or May and do not confirm President's Team at least once, your participation will be cancelled. You will then receive a re-invitation for the next available Incentive, which will be sent after the subsequent Incentive has taken place.

WHAT ARE THE QUALIFICATION REQUIREMENTS (RE-QUALIFIER)?

- You qualify for a higher position as President's Team for the first time, confirm that Marketing Plan Position latest by the deadline to qualify and receive your invitation.
- You also confirm at least this position in one of the three completed months prior to the Incentive and do not drop more than one position in the other two months.

Example Qualified:

February → First time Silver President's Team

March → Confirmation Silver President's Team

Beginning of April → Invitation with link to the registration website

Registered for Dubai → Minimum Silver President's Team once again in May OR June OR July, in the other two months at least President's Team

Example Not Qualified and Re-Invitation:

February → First time qualified as President's Team

March → Confirmation President's Team

Beginning of April → Invitation with link to the registration website

Registered for Dubai → Minimum President's Team once again in May OR June OR July, in the two other months at least Executive Vice President.

If you drop to Vice President or below in May or June or July and do not confirm Silver President's Team at least once, your participation will be cancelled. You will then receive a re-invitation for the next available Incentive, which will be sent after the subsequent Incentive has taken place.

WHAT ARE THE QUALIFICATION REQUIREMENTS (SPONSORS)?

- You are at least confirmed President's Team and build a new President's Team as a qualification leg (this only applies to newly qualified President's Teams), who confirms this level by the deadline to qualify.
- You also confirm at least the level of President's Team in the completed month prior to the Incentive.

Attention: Your participation is only possible if your qualification leg is participating. If your qualification leg cancels or receives cancellation through PM, you also cannot be part of the Incentive.

Example:

March → Your qualification leg qualified and registered for St. Tropez

April → If you are at least a fully confirmed President's Team, you as a sponsor will also receive an invitation.

May → You need to reach minimum President's Team, and your qualification leg needs to be on site, so you can take part; otherwise, we need to cancel your participation.

WHAT ARE THE QUALIFICATION REQUIREMENTS (CL CLUB)?

Please refer to the 'PM_ChampionsLeagueFactSheet'

WHEN IS THE DEADLINE TO QUALIFY?

St. Tropez: April 30, 2026

(the three completed months prior are March, April, and May)

Dubai: July 31, 2026

(the three completed month prior are May, June and July)

Please note that the places are limited. Registration will be considered according to the date of receipt.

CAN I TAKE PART IN BOTH INCENTIVES?

Even if you qualified through more than one option, you can only participate in one Incentive – St. Tropez OR Dubai.

Example:

You qualified as Sponsor AND Re-Qualifier → You can choose to go to St. Tropez OR Dubai

You qualified as CL Club AND Re-Qualifier → You can choose to go to St. Tropez OR Dubai

CAN I POSTPONE MY PARTICIPATION?

- It is not possible to postpone to another destination or the following year. The entitlement to participation and the associated recognition will expire if no registration or feedback is received by the specified deadline.
- You have the opportunity to participate again by qualifying in a higher position (see "WHAT ARE THE QUALIFICATION REQUIREMENTS (RE-QUALIFIER)?")
- Exception:
In case you do not reach the qualification criteria in the three completed months prior to the Incentive - and therefore need to receive a cancellation - you will receive a re-invitation. This allows you the opportunity to register for a future Incentive (depending on availability) and effectively "postpone" your participation.

RECOGNITION

The personal recognition from founder and CEO of PM-International, Rolf Sorg and his wife Vicki, is always for the highest qualification achieved. The qualification does not have to be confirmed. All completed months until the Incentive will be considered (St. Tropez incl. May, Dubai incl. July).

For every qualification, you only receive the personal recognition from founder and CEO, Rolf Sorg and his wife Vicki, ONCE.

Example:

1. March → You registered as confirmed Silver President's Team for St. Tropez
May → You reach Gold President's Team for the first time. You will be recognized as Gold President
2. March → You registered as confirmed Gold President's Team for Dubai
July → You did not reach a higher level and already received your Gold President's Team recognition in one of the President's Team Recognitions before. You will NOT be recognized again.

Arrival and departure, as well as the transfer to and from the hotel must be organized by the participants themselves and are not part of the Incentive program.

The program begins with the arrival at the hotel and ends with the departure from the hotel. During the Incentive program, PM-International takes care of everything else.
